

John's Island Foundation

20th ANNIVERSARY

Providing Support For Capital Needs

As we celebrate our 20th year of giving, the John's Island Foundation wishes to express its gratitude to the many generous donors who allow us to achieve our mission of awarding grants for the capital needs of deserving non-profit agencies in Indian River County. We are dedicated to making lasting change in the lives of our less fortunate neighbors by focusing on things that are put to use everyday. Kitchen equipment, vans, playgrounds, and technology are among the items we have provided local non-profits. Eight grant review teams made up of 51 John's Island members have begun visiting agencies and evaluating grant requests which will be awarded in the spring. We are proud to make an impact in our community.

OUR GRANTS AT WORK

Senior Resources Association Meals on Wheels program SRA focuses on maintaining the dignity and independence of older adults in the community by providing transportation, programing, nourishment, and referral services. In 2018, the Foundation awarded SRA's Meals on Wheels program with a van to deliver nutritious meals to isolated seniors each day.

Senior Resource Center and Meals on Wheels Van.

RCMA Playground fun.

Redlands Christian Migrant Association In 2000, its first year of awarding grants, the Foundation presented RCMA with a grant to purchase a minivan. Over the years, the Foundation has awarded \$357,032 in grants for capital needs to RCMA, including funding for a playground, playground equipment, and security cameras.
